SALT

Seniors And Law Enforcement Together

Seniors and Law Enforcement Together (SALT) is a group of individuals dedicated to seniors.

This group includes law enforcement, private and public organizations, and citizens who help identify senior concerns in their geographic areas. Collectively, they brainstorm solutions to meet these concerns. Problems and solutions are then presented to the TRIAD board for support and implementation.

Meetings are open to the general public. Please take the opportunity to attend a SALT meeting in your community and participate in the effort to improve the quality of life for our seniors.
